2013-2015 SHPE Region 5 VP Candidate Nomination

Message to SHPE at LM Aero from James Narey, SHPE at LM Aero President

I am pleased to announce my intent to run for the 2013-2015 Region 5 Vice-President position. I have been an active member within SHPE as a student at UT Arlington before becoming a lifetime professional member in 2009. Since that time I have thoroughly enjoyed every minute of serving as your Secretary and then as President of the SHPE Lockheed Martin Aeronautics professional chapter for two consecutive terms. Now I feel like I am more than ready to help shape the future of Region 5 and looking forward to becoming a part of your National Board of Directors.

Within the last couple of years, we have seen several changes take place within the SHPE National Board laying a solid foundation through creation a new vision/mission statement and development of a strategic plan. During this time, Region 5 has experienced phenomenal growth to becoming second largest region in the nation. Watching this growth has inspired and motivated me to be a part of this growth and continue on this road to even greater heights. To continue on that growth path to success, any great organization must have highly motivated, skilled individuals willing to rise to the occasion with fresh ideas and a breadth of experience.

During my SHPE LM Aero presidency, I have learned a lot about what it takes to run a successful professional chapter and witnessed many great student chapters. As Region Vice-President, I would like to strengthen the bond between student and professionals to smooth that transition and continue to grow our SHPE Jr. Program to ensure the successful future of the SHPE community so that we may solve our biggest challenges required to become the national phenomenon that we would like to be. As a SHPE Professional Lifetime Member, I am committed to the SHPE mission by continuing to change lives by empowering the Hispanic community to reach its fullest potential and impact the world through STEM.

I hope that I can gain your support as I prepare to embark on this new journey with the intent to achieve SHPE's vision of a world where Hispanics are highly valued and influential as the leading innovators, scientists, mathematicians and engineers.

James Narey
SHPE at LM Aero - President

SHPE Board of Directors Positions Open

Do you have what it takes to be a leader within the corporation? The Society of Hispanic Professional Engineers (SHPE) at LM Aero Professional Chapter is searching for members that would like to get involved by being part of the SHPE board of directors during the 2013-2014 year.

Joining SHPE is a great way to get involved in the community and develop the skill-sets required to become a better leader. Positions up for re-election include: President, Vice President of Community Outreach, Vice President of Professional Development, Secretary and Treasurer. The time commitment for these positions varies between 10 and 20 hours per month. Each is a great way to gain executive experience in an organization as well as learning to operate in a board of directors environment.

Please contact [James](#) or [Marian](#) if you are interested.

USO Care Package Stuffing Event March 23

Aeronautics-Fort Worth is partnering with MFC-Dallas to stuff 5,000 care packages for the troops on Saturday, March 23, in building 500. To sign-up, visit LM People and click on Community Involvement under the Work Environment tab, then click Volunteer Event Sign Up. On the calendar, select “March 23” and select one of the two shifts. Once you click on the hyperlink to the event, more information will appear and you can register yourself and/or a guest. Registration is limited, so act fast! All volunteers will receive a free t-shirt.

Please contact [Norman Robbins](#) if you are interested

2nd Annual SHPE LM Aero Charity Golf Tournament

SHPE Familia,

Come help us make the 2nd Annual SHPE LM Aero Charity Golf Tournament a success!!

When: April 12, 2013 (LM Off-Friday this Year)

Where: Squaw Creek Golf Course

Tee Time: 8:30am Shotgun Start

We are looking for Corporate Sponsorships.

We also need volunteers to help with committees:

- Awards and Raffle Prizes
- Advertising and Sponsorship
- Food
- Volunteers (Day of the event)

All proceeds go towards the SHPE at LM Aero Scholarship Fund, a 501c3 tax exempt organization.

Lab at Leonard Middle School – Volunteers Needed

The Lego Lab program allows middle school students to experience team work, creativity, participation, programming and engineering in the making. Become an engineering mentor to these kids and help them inspire the passion for engineering, math and science. Adults will be matched with group of students.

No experience with Robots? No problem, you will learn in the process!

Volunteer Date & Time: Spring 2013 School Year, plan to meet bi-weekly (twice a month) from 4:30pm – 6:30pm

Please contact [Steve](#) if interested.

SHPE Newsletter Inputs

SHPE Familia,

If you have any inputs or events that you would like to incorporate into the SHPE Newsletter, please contact [Gerry Ramos](#).
