

The Flying SHPE

The Society of Hispanic Professional Engineers at Lockheed Martin

November 2014

Volume 5, Issue 4

Congratulations to James Narey, 2014 SHPE National Professional Role Model of the Year!

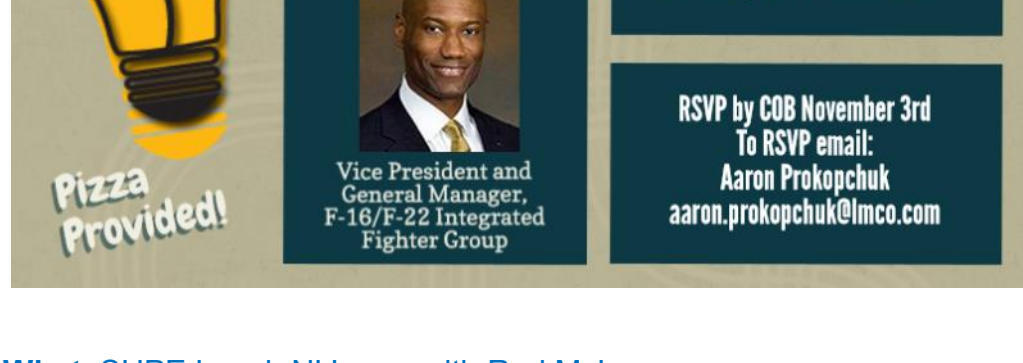

SHPE at LM Aero would like to congratulate our very own past president, James Narey, for being named SHPE National Professional Role Model of the year. He will be awarded a STAR award this Saturday, November 8th at the SHPE conference in Detroit. To read the full article see visit our SharePoint Site [here](#)

Reminder - SHPE Lunch N' Learn With Rod McLean

The chapter is excited to introduce the next speaker for our series of career/professional development Lunch N' Learn Executive Talks - The Vice President and General Manager of the Integrated Fighter Group (IFG), Mr. Rod McLean.

Mr. McLean will be giving a presentation titled "Making a Difference" to be followed by a Q&A session with the audience.

The event will take place today, Tuesday, November 4th from 11:00 to 12:00 in the Building 200 Auditorium. Food & drinks are limited so please arrive early. For more information or to nominate a future speaker, please contact [Aaron Prokopchuk](#).

SHPE Holiday Charity Gala

Each year we gather during the holiday season to celebrate as a SHPE Familia and to raise funds for one of our most important causes: STEM Outreach. This year all proceeds will go towards STEM scholarships for local high school students accepted into a STEM major. We need your help to achieve this goal! Join us for an evening of networking, fundraising, and holiday fun! For more information on ticket pricing, speakers and event details go to:

SHPE Lunch N' Learn With Dr. Alex Eksir

On October 7th, the chapter continued its new series of LM Executive Spotlight Talks with Dr. Alex Eksir, Vice President of Quality and Mission Success. Dr. Eksir discussed a variety of topics to include his professional background, the challenges of being an immigrant to the U.S., the value of active listening in the work place, and his Mission Success Talent Development initiative (MSTDi). Dr. Eksir also spent some time answering questions from the audience. The chapter would like to thank Dr. Eksir for taking the time to speak with us and sharing his very inspirational story.

If you have any questions regarding Dr. Eksir's Mission Success Talent Development initiative (MSTDi) course please contact [Alex Wojcechowski](#). To nominate a future speaker, contact [Aaron Prokopchuk](#).
