Thanks to all of those who joined our SHPE Familia at the Holiday Charity Gala on December 17th! SHPE LM Aero is beyond grateful for all the support and donations from our members and executives for this year's STEM Scholarships fund. We had a great time networking, dancing, and enjoying the holiday season, while we got to share a little bit of our traditions and cultures. Special thanks to all the volunteers and table sponsors that made this event a huge success! We hope to see you at next year's gala and our upcoming events!

SHPE Lunch N' Learn With Lorraine Martin

On Thursday, December 11th, the chapter continued its new series of LM Executive Spotlight Talks with Lorraine Martin, Executive Vice President and General Manager of F-35 Joint Strike Fighter (JSF) Program. Ms. Martin engaged in very open and personal discussion on several topics as well as answered questions from those in attendance. In addition to taking the time to personally meet every attendee (even virtually from Marietta), she discussed the health of the F-35 Program, shared stories from her early career in the Air Force, and provided insights into the topic of leadership. The chapter would like to thank Ms. Martin for taking the time to speak with us and sharing her wealth of knowledge.
