SHPE/HOLA: Lunch And Learn (RESCHEDULED)

SHPE is excited to be restarting our series of career/professional development Lunch N' Learn Executive Talks. Susan Kiehl, Vice President of Product Development-IFG, will be joining us for a special talk where she'll share her background and experience in development, test, management, execution and delivery of IFG technical solutions and products.

Ms. Kiehl will speak to professional development, career challenges and her ongoing support of the Hispanic community. The session will be concluded with an audience led Q&A session.

For more event information or to nominate a future speaker, please contact [Astrid Barajas](#).

What: SHPE Lunch N' Learn - Susan Kiehl
When: TBD. Stay tuned for meeting notice
Where: LM AVC — Theater
Time: 11:30 am –12:30 pm
Lunch will be provided!

SHPE End of Year Luncheon

Join us for our last event of the 2015-2016 SHPE/academic year to celebrate all the amazing things the chapter has accomplished, and to welcome the incoming 2016-2017 Executive Leadership Team (ELT) and Board of Directors (BOD). We will also be recognizing our chapter award recipients for 2015-2016, and recapping our scholarship luncheon where we will be awarding four \$2,500 to local graduating high school students.

A special guest speaker and additional details will be announced in the upcoming meeting notice.

What: End of Year & Scholarship Banquet
When: June 24th
Where: Executive Conference Center (ECC next to main Aero Café)
Time: 11:30 am –12:30 pm
Lunch will be provided!

SHPE Jr. Trinity High School

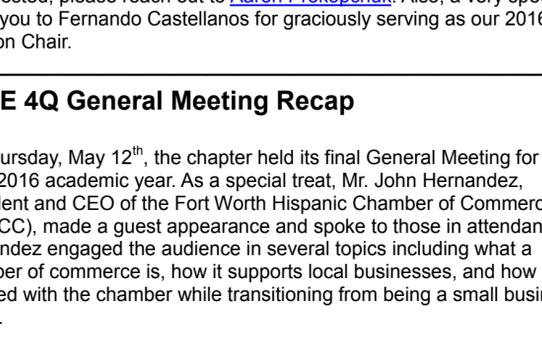

The SHPE Jr. de Euless Trinity HS chapter recently held their EOY Awards Ceremony on Wednesday, May 18th. Best of luck to all of the graduating seniors as they all prepare to head off to college this fall semester. They will all be missed.

The Trinity SHPE chapter achieved all of their four strategic goals set at the beginning of the year with over 45 members, hosting at least 5 special events ad 9 general meetings, fundraising raising over \$1,500 into their school club account, and had at least one member apply for both SHPE National and LM Aero scholarship programs. Congratulations to all the new E-Board officers and they are looking forward to a successful upcoming academic year.

SHPE LM Aero Spring Golf Tournament Recap

On May 6th, the chapter held its 5th annual Spring Charity Golf Tournament at The Resort Golf Club on Eagle Mountain Lake. The tournament was a resounding success with great weather, 20 teams participating, and over \$4,000 being generated for our student high school scholarship fund in support of those pursuing a Science Technology Engineering or Math (STEM) degree at their accepted university. The participating attendees not only enjoyed a game of golf but also a light breakfast, burgers for lunch, and the opportunity to win raffle prizes. The event was also memorable as the chapter recognized our outgoing Executive Sponsor, Tom Bradley, for his gracious support of SHPE and our local chapter throughout many years at Lockheed. We wish Tom all the best with his retirement and hope he enjoys our Golf Buddy gift!

This event allowed the SHPE at LM Aero chapter to meet its 2015-2016 goal of raising funds for **four \$2,500 scholarships** which will be awarded to students on June 9th during a private luncheon. Thank you to everyone who contributed, and a special thank you to all our volunteers with a special shout out to Samantha Dominguez, Juan Pablo Gonzalez, and James Narey for all their hard work!

SHPE 2016 Election Results

Thank you to all our chapter members that voted via our electronic ballot over the last two weeks. Here are the results for our 2016-2017 Executive Leadership Team (ELT) election:

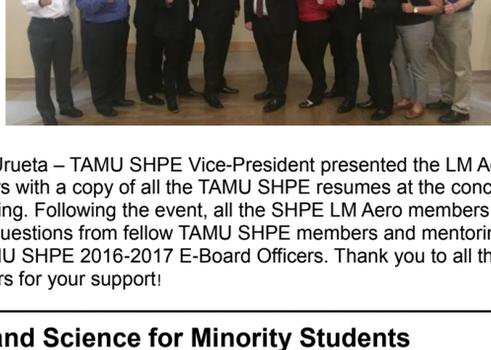

SHPE Elected Executive Positions

President Aaron Prokopchuk		
Vice President of Community Outreach James Narey	Vice President of Chapter Development Armando Contreras	Vice President of Professional Development Samantha Dominguez
Treasurer Erika Murillo	Secretary Steven Kuckelman	

Board of Director (BOD) positions for 2016-2017 will be appointed over the next month and we still have several available opportunities under professional development, community outreach, and chapter development. If interested, please reach out to [Aaron Prokopchuk](#). Also, a very special thank you to Fernando Castellanos for graciously serving as our 2016 Election Chair.

SHPE 4Q General Meeting Recap

On Thursday, May 12th, the chapter held its final General Meeting for the 2015-2016 academic year. As a special treat, Mr. John Hernandez, President and CEO of the Fort Worth Hispanic Chamber of Commerce (FWHCC), made a guest appearance and spoke to those in attendance. Mr. Hernandez engaged the audience in several topics including what a chamber of commerce is, how it supports local businesses, and how he got involved with the chamber while transitioning from being a small business owner.

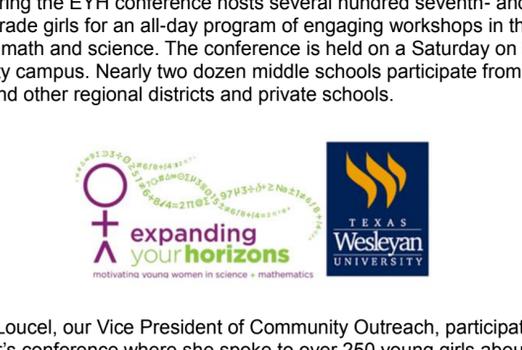

Mr. Hernandez, an employee of the chamber, and an engineer from Multa Tech also used the opportunity to take a SHPE-led guided tour of the F-35 Production Line and discussed the chamber's new Young Professionals of Fort Worth Program. The chapter looks forward to future activities with the FWHCC, sponsoring chapter members for the Young Professionals Program, and would like to thank Mr. Hernandez for taking the time to speak with us.

For more information about the FWHCC, please click [HERE](#). For more information about the Young Professionals of Fort Worth Program, click [HERE](#). To inquire about possible sponsorship for the program, please contact [Aaron Prokopchuk](#). To recommend a future professional development speaker please email [Astrid Barajas](#).

MAES Chapter Development Summit (CDS) Recap

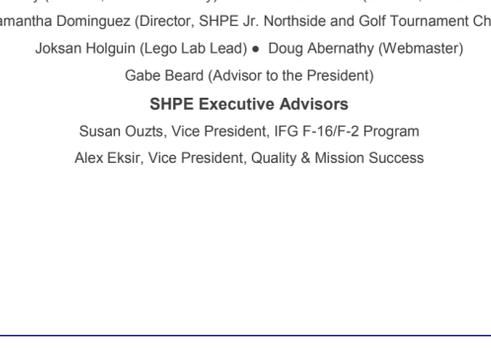

The MAES CDS- Central is one of three CDS' held throughout each of the four MAES regions.

This year's CDS hosted 10 college chapters and four professional chapters totaling 54 participants, and it took place in Austin, TX from May 21st - May 22nd. SHPE LM Aero was represented by Armando Contreras, who presented and coordinated a workshop on Calendars.

TAMU General Meeting Recap

Representatives from the SHPE LM Aero professional chapter – Michael Gutierrez, Armando Contreras, Erika Murillo, and James Narey attended the last TAMU SHPE General Meeting #14 and LM Info-session on Wednesday, April 27. The agenda started with a brief introduction of the new 2016-2017 TAMU SHPE E-Board officers and TAMU SHPE chapter updates followed by a LM Company Overview and talk on Recruiting and the LM Internship and Recruiting process. TAMU SHPE received a Gold chapter sponsorship of \$2,500 for the 2015-2016 academic year from LM corporate university talent acquisition.

Andrea Urueta – TAMU SHPE Vice-President presented the LM Aero Recruiters with a copy of all the TAMU SHPE resumes at the conclusion of the meeting. Following the event, all the SHPE LM Aero members stayed to answer questions from fellow TAMU SHPE members and mentoring the new TAMU SHPE 2016-2017 E-Board Officers. Thank you to all the LM presenters for your support!

Math and Science for Minority Students

The (MS)² program was founded in 1977 to address the compelling need to cultivate the mathematical and scientific abilities of economically disadvantaged African American, Latino, and Native American high school students from targeted cities (including Fort Worth, TX) and communities across the United States. In a residential setting on the historic Andover, MA Phillips Academy campus, the three-summer program challenges students intellectually and exposes them to peers and educators with diverse backgrounds, life experiences, and aspirations. This competitive and rigorous program is free of charge for all students selected.

Expanding your Horizons

Texas Wesleyan University is proud to partner with local area middle schools to bring the Expanding Your Horizons Program to our community.

Each spring the EYH conference hosts several hundred seventh- and eighth-grade girls for an all-day program of engaging workshops in the fields of math and science. The conference is held on a Saturday on the university campus. Nearly two dozen middle schools participate from Fort Worth and other regional districts and private schools.

Lorena Loucel, our Vice President of Community Outreach, participated in this year's conference where she spoke to over 250 young girls about the importance of STEM education.
