## SHPE Jr. Member Spotlight: Trimble Tech

My name is Luz Emily Cuevas, and I am currently a senior at Trimble Tech High School. I am interested in getting my bachelor's degree in engineering. I want to gain the knowledge and experience necessary to find the engineering concentration I want to study. I am passionate about using my artistic creativity alongside mathematics and science.

In addition, I am the president of the Society of Hispanic Professional Engineers, the treasurer for the National Honor Society, and an active member in volunteering activities around the community. I hope to one day get a Master of Engineering degree or possibly a Ph.D.

## SHPE / HENAAC National Conference

SHPE had the honor to attend the NILA National Conference on August 3rd—7th in Plano TX. Three of our members were in attendance and had a great experience learning leadership skills and networking with SHPE members from all over the country. Please make plans to attend any of the upcoming conferences for professional development and conference with many professional engineers in our nation.

Conference	Date	Location	Details under the links
HENAAC and MAES 2016	October 5th—9th	Anaheim, CA	<a href="http://www.greatmindsinstem.org/conference/conference-registration">http://www.greatmindsinstem.org/conference/conference-registration</a> (2 weeks left for registration)

## SHPE UT Dallas Mentor SHPE Program

Would you like to mentor and shape bright students into high caliber professionals? The Society of Hispanic Professional Engineers at the University of Texas at Dallas will start a new initiative this September where professionals mentor upperclassmen with majors in STEM. There are at most 5 students assigned per mentor and will only have to meet once in the months of September, October, and November. We encourage transparency so that the you and the students may gain the most from this program.

There is no application process for a professional mentor. Professional mentors will be paired up with upper-classmen student mentees that share the same major.

If you want to sign-up, just contact [James Narey](#) with your name, major, and phone number so that SHPE UT Dallas may contact you.

## SHPE Rock Climbing Recap

Thank you to Bryan Mendoza for organizing excellent job recruiting fourteen SHPE members to climb on Saturday August the 20th. We had a great time and Bryan did a great job. Different activities were performed and the time was divided between bouldering, abs class, and top roping.

If you are interested in future social activities, please contact [Armando Contreras](#).

## LM Aero Aviation Celebration Recap

Thank you to all who came out and supported the SHPE booth for Aviation Celebration Carnival. The event, held on July 21st in the AVC, was a success as many employees had the opportunity to engage and learn about the various ERGs across LM-Aero while enjoying carnival food and games. As always, the SHPE booth was a popular attraction by means of lanyard giveaways, carnival tic-tac-toe, and free candy.

## Girls Inc. College Shower

Girls Inc. believes in preparing a girls for college and careers that will lead to their BOLD futures. The Girls Inc. College Shower honors scholarship winners and college-bound girls by providing them with supplies to help level the playing field so that they arrive on campus ready to learn.

Girls Inc. of Tarrant County hosted their College Shower on July 28<sup>th</sup> to help celebrate 75 young women getting ready to start their college journey. Lockheed Martin- Aeronautics sponsor 14 deserving, college-bound girls with Gift Baskets.

## 2016 Joint Midwest Regional Leadership Forum Recap

On Friday August 12<sup>th</sup> and Saturday August 13<sup>th</sup> members of the SHPE LM Aero chapter attended the JMRLF held at the Arlington Sheraton Convention Center. The two day event was hosted by several Lockheed employee resource groups (ERGs), to include the Fort Worth HOLA chapter, and was attended by around 250 individuals from Fort Worth, Grand Prairie, and Corporate.

The event featured many presentations and panel discussion from Lockheed leadership, as well as a three food networking socials and three career topic workshops. In addition to having no less than 12 chapter members attend the event, the chapter ELT/BOD used the opportunity to set up an informational booth next to NSBE on the first day to pass out informational brochures and add folks to our email distribution. Thank you to all our chapter members that were able to attend. Please look out for future professional networking and conference opportunities.
